

Next Step in the process: Town Hall meeting -- March 2018

We have a brand new roof—now... what's going to happen under the roof?

Colleen Petaros has provided leadership for W.O.W. since it began and she has announced that she is finishing this role as of May 1st. We really want to continue the good things happening in WOW.

Church Council members have voted to hire a person to give leadership on Wednesday nights.

Will you help support the selection of a new leader?

Will you invest in the future of our church?

Will you sacrifice to give for this future as others sacrificed in the past for what you enjoy

I would like to invite you to two events designed to give you a glimpse of what's happening with our student ministries and answer questions you might have.

March 21—Open House for WOW & Youth Group—come upstairs before Lenten worship and see where they meet. The WOW students would love to show you their space. They meet each week in the orange WOW room right above the Fellowship Hall kitchen. After worship the youth will be giving a tour of the space under the sanctuary. They will show you the room they have decorated for youth group.

March 25—Palm Sunday—Town Hall meeting for the purpose of discussing the plan to hire a new Student Ministry Director. After both worship hours there will be a question and answer time during Fellowship downstairs. We ask that you plan to come for this presentation.

God is growing our congregation and I hope you will be a part of making it possible.

I love being your pastor ☺ *Pastor Jeff*

New members: Tim & Mindy Yochum transferred their membership to our church on January 28, 2018. Tim is the manager for McCoy Group—a trucking firm based out of Dubuque. Mindy spends much of her time going to see family. They have two adult children who are both married; with one granddaughter that lives in Burlington. They come to us from the Letts United Methodist Church. Please welcome them to our church the next time you see them.
